

Microsoft FrontPage

Monday, November 02, 2009
11:16 AM

Listen and read the **Microsoft Tutorials** on how to use **FrontPage**.
<http://office.microsoft.com/en-us/frontpage/HA011102171033.aspx>

Courses Checklist:

- ☐ Overview
- ☐ Graphics
- ☐ Tables I and II
- ☐ Tables III and IV
- ☐ CSS - Cascading Style Sheets
- ☐ Hyperlinks I and II

Plan It

Sketch it –

- 1) How is your site going to look?
- 2) Where will the navigation links be located?
- 3) What is going to be consistent on every page?
- 4) What content/ information will be where?
- 5)

Decide on Design Elements –

- 1) Choose the color scheme, write the colors and html codes.
- 2) Decide on a few fonts and sizes.
- 3) What images will you use, make sure you are legal.
 - a) Make sure you use a 3-to-1 ratio.
